

ESPECIFICAÇÕES TÉCNICAS
ARMÁRIOS EM RESINA DE POLIPROPILENO

CARACTERÍSTICAS

Fabricação com resinas de polipropileno (PP).

Material leve, resistente à fadiga e a flexão, não tem cheiro e não é tóxico.

100% reciclável.

Quimicamente inerte, é possível esterilizar e é um excelente isolador elétrico.

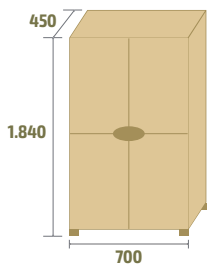

Recomendado para lugares com umidade.

Fácil de montar.

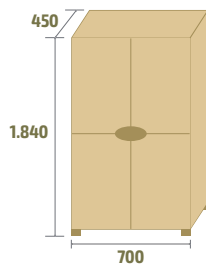

Cor padrão Bege.

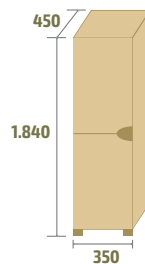

COMBINAÇÕES E MEDIDAS
